Wednesday, April 16, 2025

NYCPS Specialized Programs: (9:00am-2:00pm Lunch from 12:00pm-1:00pm)

- *Autism Programs (NEST, Horizon & AIMS)*
 - The Nest, Horizon, and AIMS are three NYC Public School programs supporting autistic learners. They are available Districts 1-32 and 75 schools
- *Bilingual Special Education*
 - Specialized program for students who require an Integrated Co-Teaching (ICT) or Special Class (SC) with a language of instruction other than English.
- *Academic, Career and Essential Skills Programs (ACES)*
 - Provides students with an intellectual disability an opportunity to learn academic, work, and independent living skills in a community school across Districts 1-32.
- *Path Program*
 - Special education program in District 1-32 schools that serves some students who have experienced trauma who benefit from intensive social, emotional, and behavioral support.
- *Intensive Reading Education Development Literacy Program (IREAD)*
 - Reduced class-size, Integrated Co-Teaching (ICT) class designed to support students who are showing early signs of reading struggles and may be at risk for dyslexia and other print-based reading disabilities.

Advance registration is required. Families are not obligated to stay the full day, and can participate in as many workshops as they would like.
